NEPTUNE

Experience effortless outdoor living with the Suntime Neptune, a practical and stylish full awning designed specifically for touring caravans.

Available in sizes 7-18, the Neptune offers a generous 240 cm depth, creating a spacious and versatile living area perfect for relaxing, dining, and entertaining family and friends. Its elegant Blue and Light Grey colour scheme brings a fresh, modern look that complements a wide range of caravan styles.

Constructed entirely from durable TrekTex fabric for both the roof and walls, the Neptune is built to withstand the demands of regular touring while remaining lightweight and easy to handle. A robust 22/25 mm steel frame provides excellent stability, High-level ventilation panels promote continuous airflow and help reduce condensation, while the large flyscreen door allows you to enjoy fresh air and internal blinds offer adjustable privacy, creating a comfortable space day or night.

VENUS

The Suntime Venus is a versatile and practical driveaway awning designed for campers with vehicles of varying heights, making it suitable for both low (180-235cm) and high (235-295cm) motorhomes.

The awning can remain securely pitched on site as a standalone unit, allowing you to drive away and explore while leaving your awning and belongings safely in place. This makes it ideal for simply freeing up your vehicle without the hassle of packing everything away.

Setting up the Venus is quick and straightforward thanks to its intuitive design. The awning is supplied with adjustable guy lines and robust pegs, enabling a secure and stable pitch on a variety of terrains. Its thoughtful construction ensures excellent stability for your touring needs.

SPECIFICATIONS

When choosing your awning it is vital that you know the size (A measurement) of your caravan.

Measure your caravan from point A to point B in cm as shown in the picture. The measurement from ground to ground is the "A" measurement that can then be checked with the size chart to identify which awning size will fit your caravan.

NOTE: ALL MEASUREMENTS SHOWN BELOW ARE IN CENTIMETRES

SIZE	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22
